1- Why should I participate in BIIS 2022?

Many benefits you'll attain from your participation in Beirut International Innovation Show BIIS 2022:

- 1- To commercialize your own invention.
- 2- To promote the culture of invention and research in Lebanon (and worldwide).
- 3- To promote your own invention and give it visibility.

BIIS 2022 aims to become a global leading venue for Innovators, Inventors and Investors with strong emphasis on Technology Transfer and Research Valorization

Beirut International Innovation Show BIIS 2022 will provide the best inventions with Medals and participation certificates.

2- Who can register in BIIS 2022?

Each inventor can register for BIIS 2022 if he holds a registered patent or prepares one.

3- How I register in BIIS 2022?

For successful registration in BIIS 2022, you must simply complete the registration form on the link below:

nasr.org.lb/biis

After that, a confirmation letter will be sent to your email address within 48 hours.

If you need help in patent registration, please contact National Association for Science and Research, IFIA Focal point Middle East through:

email biis@nasr.org.lb or phone and whatsapp: +961 5 464 996

4- Participation Requirements in BIIS 2022

The following are the **participation requirements** for BIIS 2022:

- 1- The invention owner can be person (or group), or organization (Company, Governmental, NGO Association, University or other).
- 2- The invention must hold a registered patent.
- 3- The inventor must participate personally in the show, or represented by an authorized agent (written authorization document is required).
- 4- The invention may have been presented previously in some other scientific exhibitions, but it's required to mention during registration.
- 5- Meet the deadlines and the laws of the show.
- 6- The inventor (or agent) must be available during the online show, to be able to answer jury's questions if available.
- 7- The invention must be accompanied by an explanatory panel (Poster) in Arabic or English. The poster may contains: target, the beneficiary side, market potential, scientific underpinnings, approved methods, results and verification mechanism and should present a brief overview of the invention.

5- BIIS 2022 through MS Teams

BIIS 2022 will take place through Microsoft Teams – online. A poster and a video would be uploaded on the channel of each the invention. The cost is **199 USD for each invention (Special Discount for IFIA Members)**. For Lebanese inventors the participation would cost 300.000 LL.

The money transfer has to be done to Byblos bank on the IBAN below:

Beneficiary Name: NATIONAL ASSOCIATION FOR SCIENCE AND RESEARCH

SWIFT Code: BYBALBBX

Account Number: 5651555776001

IBAN: LB29003900000005651555776001

6- Invention Categories in BIIS 2022

Available categories (required while registering):

Human necessities / Performing operations, Transportation / Chemistry, Metallurgy/ Textiles, Paper / Fixed constructions / Mechanical Engineering, Lighting, Heating, Weapons, Blasting / Physics / Electricity / Services / Computer Engineering / Teaching and research, Pedagogical items / Promotion and promotional items / Other inventions and new practical products / Start-up consultancy / Financing

7- Timeline for BIIS 2022

The timeline of BIIS 2022 will be as following:

Date	Description
February 15, 2022	BIIS 2022 registration opening
May 1, 2022	BIIS 2022 registration closure
May 10, 2022	Acceptance Notification to participate in the show
May 20, 2022	Start of uploading inventions on the associated website
May 26-27, 2022	BIIS 2022 Online and judges may ask questions
May 28, 2022	Announcing the winners

8- Few tips Before Beirut International Innovation Show 2022:

- 1- The main objective of BIIS 2022 is to promote scientific innovation. The judging committee results should be accepted and respected by the participants.
- 2- Ensure readiness in displaying during the online fair and answer questions asked by the judging committee.
- 3- **Ensure that the poster and the video about the invention are ready.**
- 4- The video should not exceed the duration of 7 minutes.
- 5- Prepare your account on MS teams with the mun and password received from NASR.
- 6- Upload the requested materials on the channel allocated to you.

9- During Beirut International Innovation Show 2022:

- 1- Be careful to answer all judges' questions through your channel, note that the judges are top academics and educators qualified professors, scientists, and international judges.
- 2- If you wish to participate in a forum to present your invention for public, you can email us and we will discuss your request and get back to you.

10-Beirut International Innovation Show 2022 Results:

- 1- The link where the results will be announced will be shared with you via email.
- 2- Upload your own pictures to our Facebook page www.facebook.com/sciencelb.
- 3- Results will be published on the website later.
- 4- The winners will obtain an electronic certificate and ask for paper copies by contacting NASR.
