## 1- Why should I participate in BIIS 2021?

Many benefits you'll attain from your participation in Beirut International Innovation Show BIIS 2021:

- 1- To commercialize your own invention.
- 2- To promote the culture of invention and research in Lebanon, and worldwide.
- 3- To promote your own invention and give it visibility.

BIIS 2021 aims to become a global leading venue for Innovators, Inventors and Investors with strong emphasis on Technology Transfer and Research Valorization

Beirut International Innovation Show BIIS 2021 will provide the best inventions with Medals and participation certificates.

## 2- Who can register in BIIS 2021?

Each inventor can register for BIIS 2021 if he holds a registered patent or prepares one.

## 3- How I register in BIIS 2021?

For successful registration in BIIS 2021, you must simply complete the registration form in the link below (you should have and sign in with a google account to fill in the form):

<https://forms.gle/EFgMcnWzPRYs5zZ1A>

After that, a confirmation letter will be sent to your email address within 48 hours.

If you need help in patent registration, please contact National Association for Science and Research, IFIA Focal Point Middle East through:

email [biis@nasr.org.lb](mailto:biis@nasr.org.lb) or phone and WhatsApp: +961 5 464 996

## 4- Privacy Policy

By accepting the registration terms and conditions, you agreed to publish your data of the invention on the public pages of BIIS. The published data includes: your personal profile photo, your uploaded poster and photos, your social media links, your video link and your organization name (if applicable). The personal documents like National ID Copy and Passport copy and other personal information will NOT published or shared with other parties.

## 5- Participation Requirements in BIIS 2021

The following are the **participation requirements** for BIIS 2021:

- 1- The invention owner can be person (or group), or organization (Company, Governmental, NGO Association, University or other).
- 2- The invention must hold a registered patent (or prepares for one).
- 3- The inventor must participate personally in the show, or represented by an authorized agent (written authorization document is required).
- 4- The invention may have been presented previously in some other scientific exhibitions, but it's required to mention during registration.
- 5- Meet the deadlines and the laws of the show.
- 6- The inventor (or agent) must be available during the online show, to be able to answer jury's questions if available.

- 7- The invention must be accompanied by an explanatory panel (Poster) in Arabic or English, and up to 4 additional explanatory photos to upload through registration form (Optional). The size of each photo or poster should be about 2000x1000 Pixels.
- 8- The poster and description may contain: **Problem** to solve, **Solution** provided, **Target** from participation in BIIS, **Market** potential, some **Technical** details (if found), **Technology** used (if found), registered **Results** (if found) ...
- 9- A video published on your YouTube channel should be provided as a link to watch. The total time of the video should not exceed 7 minutes.
- 10- You can edit your submitted data later using the link of your responses received by mail.

## 6- BIIS 2021 Online

BIIS 2021 will take place online through nasr.org.lb website and Microsoft Teams as a platform for discussion and jury.

Each invention will have a **web page** that includes the invention's data provided by your registration (Description, Video link, Personal photos of inventors, Social media of inventors).

Each invention will have a channel on Microsoft Teams for discussion, live exhibition, and **Jury** work.

## 7- BIIS 2021 Fees of participation

The registration fees for participation in BIIS is only **(including taxes) one hundred US Dollar for each invention (100 USD per invention) (Special Discount for IFIA Members). For Lebanese inventors the fees are in official exchange rate (150.000 LL)**

The money transfer has to be done to Byblos bank on the IBAN below:

### Beneficiary Name:

**Account name: NATIONAL ASSOCIATION FOR SCIENCE AND RESEARCH**

**SWIFT Code: BYBALBBX**

**Account Number: 5651555776001**

**IBAN: LB29 0039 0000 0005 6515 5577 6001**

**Or transferred through international money transfer agents.**

## 8- Invention Categories in BIIS 2021

### Available categories (required while registering):

Human necessities / Performing operations, Transportation / Chemistry, Metallurgy/ Textiles, Paper / Fixed constructions / Mechanical Engineering, Lighting, Heating, Weapons, Blasting / Physics / Electricity / Services / Computer Engineering / Teaching and research, Pedagogical items / Promotion and promotional items / Other inventions and new practical products / Start-up consultancy / Financing

## 9- Timeline for BIIS 2021

The timeline of BIIS 2021 will be as following:

Date	Description
15 February 2021	BIIS 2021 registration opening
March 28, 2021	BIIS 2021 registration closure
April 1, 2021	Acceptance Notification to participate in the show
April 5, 2020	The start of publishing inventions on website and Microsoft Teams
April 7, 2021	The last delay to upload the material on Teams
April 8-9, 2020	BIIS 2021 Online and judges may ask questions
April 10, 2021	Announcing the winners

## 10-Few tips Before Beirut International Innovation Show 2021:

- 1- The main objective of BIIS 2021 is to promote innovation. The judging committee results should be accepted and respected by the participants.
- 2- Ensure readiness in displaying during the online fair and answer questions asked by the judging committee.
- 3- **Ensure that the poster, photos, and the video about the invention are ready.**
- 4- The video should not exceed the duration of 7 minutes.
- 5- Prepare your account on MS teams with the mun and password received from NASR.
- 6- Upload the requested materials on the channel allocated to you.

## 11-During Beirut International Innovation Show 2021:

- 1- Be careful to answer all judges' questions through your channel, note that the judges are top academics and educators qualified professors, scientists, and international judges.
- 2- If you wish to participate in a forum to present your invention for public, you can email us and we will discuss your request and get back to you.

## 12-Beirut International Innovation Show 2021 Results:

- 1- The link where the results will be announced will be shared with you via email.
- 2- Share your own pictures to our Facebook page [facebook.com/sciencelb](https://www.facebook.com/sciencelb)
- 3- Results will be published on the website and [facebook.com/NASR.LB](https://www.facebook.com/NASR.LB).
- 4- The winners will obtain a digital certificate of medal and special awards. You can apply for hard copies and physical medals later by contacting NASR<sup>1</sup>.

<sup>1</sup> Production, post and shipping fees may apply
